

EASYCLEAN PUR.340 POLYURETHANE CLOTH

User guide

DESCRIPTION:

FIELDS OF APPLICATION:

Ideal for cleaning glass, ceramics, chrome-plated, enamelled and washable surfaces in kitchens, bathrooms, offices and professional environments.

CHARACTERISTICS:

EASYCLEAN PUR.340 POLYURETHANE CLOTH is a high-absorbency technical cloth designed for the routine cleaning of washable surfaces. In particular:

- it quickly absorbs water and residues, promoting even drying without streaks;
- it removes light dirt and moisture marks from smooth and delicate surfaces with moderate friction;
- it is ideal for glass, ceramics, enamelled surfaces, stainless steel and chrome-plated surfaces thanks to its soft, non-abrasive structure;
- it ensures tear resistance and long-lasting performance thanks to its reinforced edge;
- it is suitable for use in both domestic and professional environments.

It is made of 70% microfiber and 30% polyurethane, a combination that ensures excellent absorbency and effective cleaning even with daily use.

INSTRUCTIONS FOR USE:

PRECAUTIONS:
