

LUXORY METAL

POLISHING CREAM FOR STAINLESS STEEL IN MARINE ENVIRONMENTS

User guide

DESCRIPTION:

Cream made of surfactants and inert powder. Contains no acids.

FIELDS OF APPLICATION:

Specific cream for cleaning and polishing stainless steel boat surfaces.

CHARACTERISTICS:

LUXORY METAL is a cream specifically formulated for cleaning and polishing stainless steel surfaces in marine environments.

LUXORY METAL

- cleans, degreases and polishes steel surfaces;
- renews and restores the original shine of bollards, handrails, knobs, etc.;
- is a neutral product and contains no acids or alkalis;
- does not exhale halos. Does not exhale harmful fumes.

INSTRUCTIONS FOR USE:

INSTRUCTIONS FOR USE:

Ready-to-use product. Shake before use.

- Pour a small amount of product onto a magic sponge or microfibre cloth;
- Rub the surface to be polished for a few seconds until a dark patina forms;
- Remove excess product and rub the surface with a soft dry cloth until a brilliant shine is achieved.

PRECAUTIONS:

None.

NOTES:

Our indications are based on current research knowledge and are intended to give the best guidance to the buyer-user. However, such indications require examination and testing prior to the areas of use, the types of materials present and the various conditions of application. The user decides independently on the suitability and field of use. MARBEC Srl accepts no liability for the incorrect use of its products. Rev5-Ver16022022
