

SANI-KAL FORTE

DESCALING DETERGENT FOR BATHROOMS, CERAMICS, SANITARY WARE, TAPS, GLASSES AND STAINLESS STEEL

User guide

DESCRIPTION:

Detergent solution based on organic and inorganic acids, non-ionic surfactants and perfume.

FIELDS OF APPLICATION:

For the descaling of limestone on all surfaces resistant to acids such as: sanitary ware, taps, showers, ceramic coverings.

CHARACTERISTICS:

SANI-KAL FORTE is a descaling detergent with controlled action for the extraordinary cleaning of ceramics, sanitary ware, taps, glasses and stainless steel.

SANI-KAL FORTE:

- removes from surfaces large limestone deposits, urine and rust stains, soap residues;
- does not fumigate, does not contain hydrochloric acid;
- leaves the surfaces clean, shiny and bright;
- is easy to apply on shower walls.

INSTRUCTIONS FOR USE:

- Spray the product directly on the surface;
- Rub with soft cloth or in case of large deposits of limestone with white buffer;
- Leave for a few minutes and then rinse with water.

PRECAUTIONS:

- do not use SANI-KAL FORTE on slate, marble, travertine and polished grits and materials not resistant to acidic substances.

NOTES:

Our indications are based on the current knowledge of the research and are intended to give the best guidance to the buyer-user. However, such indications require preliminary examination and testing of the fields of use, the types of materials present and the various conditions of application. The user decides independently on the suitability and the field of use. MARBEC Srl assumes no responsibility for the incorrect use of its products.

PACKAGING:

- 0,75 lt Spray PE- box 6 pcs;
- 5 lt PE tank – boxes 4 pcs.

YIELD:

- Approximately: 750 ml / 20-30 m².

TECHNICAL DATA:

- Physical state: colourless liquid
- Specific gravity (g/cm³): 1,03
- pH (20°C) of the pure product: 2
- Flame point (ASTM): non-flammable
- Solubility in water: soluble in water.

STORAGE:

Keep the product tightly closed at temperatures between 0 °C and +30 °C and not exposed to sunlight for a long time. The stored product has a useful life of 2 years.
